Emergency Notifications and Social Media

The following is a list of some of the Emergency Notification Systems and Social Media the City uses to get important information to its Community. If you haven't done so already, please sign up to receive timely notifications.

everbridge

The City of Culver City and its Emergency Services use Everbridge to disseminate emergency/disaster information and resources, to notify users of missing persons, to evacuate residents or businesses in times of an emergency, to capture dangerous criminals, and more. The alerts are sent out in emails, text-like messages, and telephonically. There are two sign-up options:

Option 1: Please visit our city webpage www.culvercity.org/emergencyprep and scroll to the bottom of the page where you will find a link to sign up for Everbridge Notifications.

Option 2: Scan the QR code.
